## From the Publisher

Welcome to the 4th annual edition of the Jax Beaches Town Planner Community Calendar. This FREE community resource is made possible by the local businesses displayed each month. Please show your appreciation and patronize them, while LETTING THEM KNOW you saw their ad in the Town Planner!

I am often asked what makes Town Planner different from other publications in our community. Quite simply.... WE PUT OUR FAMILIES FIRST! The calendar is designed and produced largely on the annual feedback from people like you, the residents of our community. My goal is to provide the community with an invaluable resource that will be retained, utilized, and appreciated. It only makes sense to listen to local residents who make it a part of their everyday lives year-round. Would you agree?

With that essence of community, please take a moment to send us your feedback. Visit [MyTownPlanner.com](http://MyTownPlanner.com) and take the 3-minute feedback survey. This year, one (1) family participating in the survey will win \$500! Your feedback ensures we are putting the right touch on YOUR CALENDAR!

One final thought. Our daily lives continue to evolve given the presence of the digital connection. It's a priceless tool that connects us to virtually anything and anyone at a tap of our fingers. But sometimes burying ourselves in the glow of our smartphones leads us to temporarily forget the importance of face-to-face, personal interactions which provide meaningful moments and lasting memories. In that spirit, we are promoting the grace which exists in the real world around us. We believe it all starts with random acts of kindness.

In this coming year, if you or someone you know has performed a random act of kindness, please tell us about it. That kindness makes you eligible to win a prize such as a Roku, Amazon Echo, Google-Home Mini, or a gift certificate from one of our local businesses. All you have to do is visit [MyTownPlanner.com](http://MyTownPlanner.com) and let us know.

We at Town Planner feel privileged to serve our community. Have a healthy and happy 2020!

## Four compelling reasons to consider a respite stay for your loved one

1. You are exhausted. 24/7/365 is not healthy for caregivers.
2. Rehab after surgery. Nicer and cheaper than a nursing home.
3. Better for your loved one. Food, activities, friends.
4. No long term commitment—though 50% of our respite stays ultimately decide to become full time residents.

We can help. Beautiful campus, quality care.
